EXCITING NEW BEGINNINGS

2022 STEWARDSHIP APPEAL

FOSTER AND SUSTAIN SPIRITUAL GROWTH BY GROWING OUR DIGITAL PRESENCE

We intend to grow our digital presence to foster and sustain the spiritual growth of people who are new to Holy Trinity and to be an online resource for people who are familiar with Holy Trinity.

Isaiah 43: 18-19. "Do not remember the former things, or consider things of old. I am about to do a new thing, how it springs forth, do you not perceive it?"

GOAL: \$10,000 TOTAL (\$192 PER WEEK)

Holy Trinity's digital presence is important to the younger person who was born with an iPhone in hand and to an older person who feels the digital world is alien. Both are important groups for our ministry outreach. We intend to provide opportunities to grow and sustain their spiritual life using digital technology.

We intend to provide high-quality worship experiences by live-streaming worship and presenting it on-demand on social media. This provides additional opportunities for spiritual growth. This will require tech support for our pastor and staff to bring our systems up to date and maintain them in the future.

"I appreciate having your weekly bulletin to read. I have tried Zoom, but I could not hear it. If I could, I would worship with you by Zoom."
-Independence Village resident

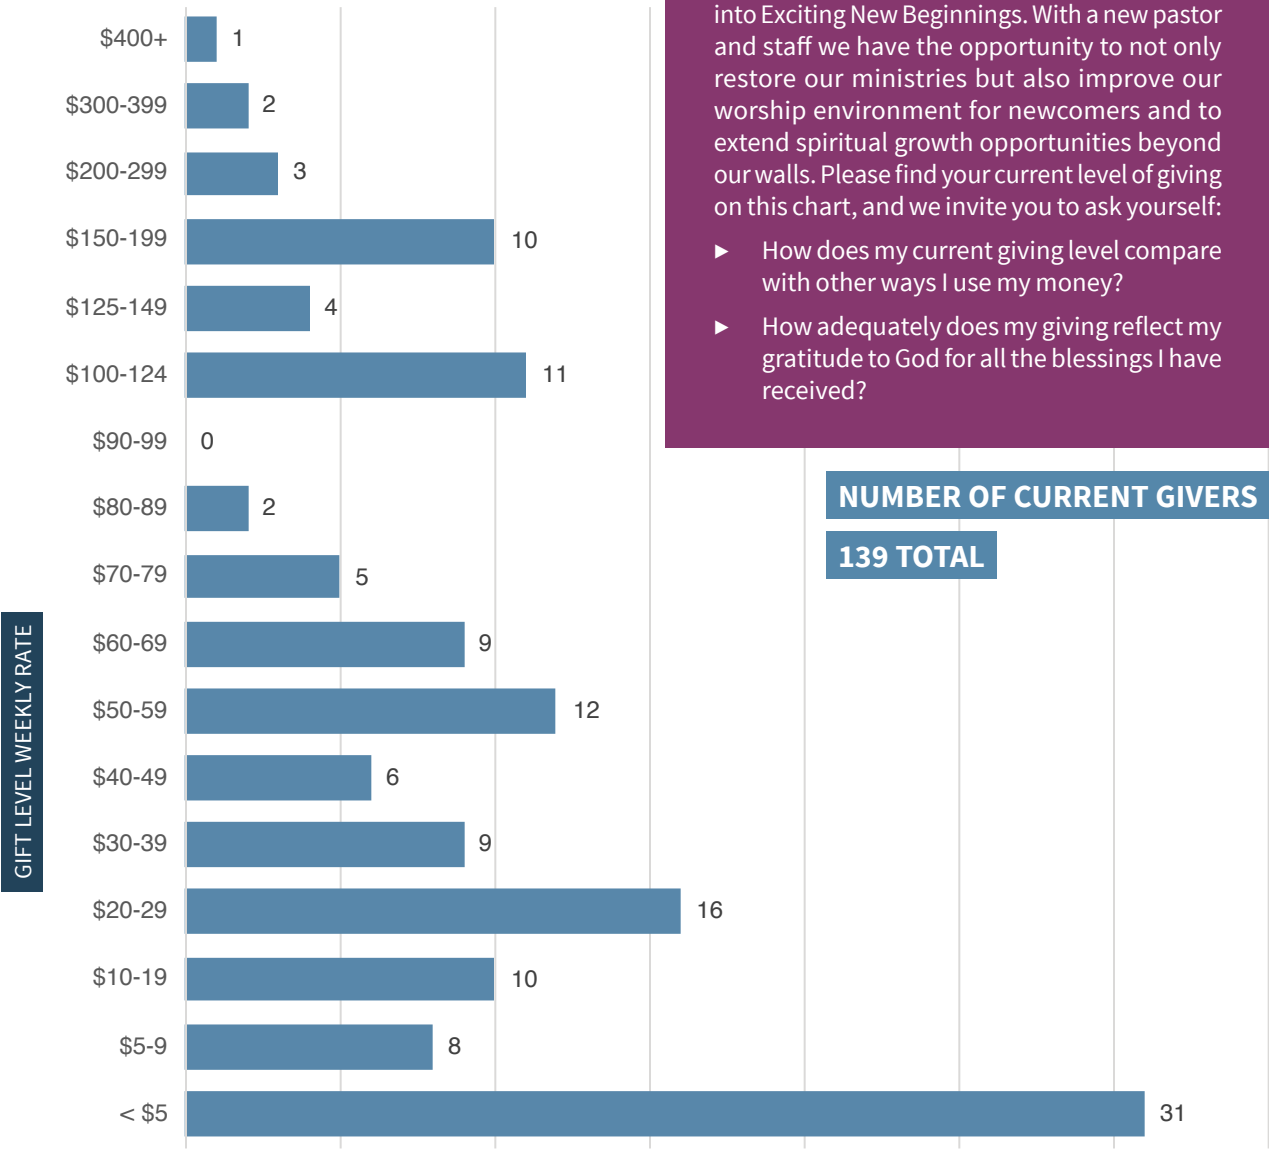

We also intend to provide a live "help desk" feature for people, who experience problems with the technology and would benefit most from talking with a person.

For those who are challenged **we intend to** reach out and provide the support needed to access our digital content. Whether this means an in person visit, written instructions, or equipment upgrades we will connect with them.

Imagine having technology and support capable of providing a quality digital presence that does not require a technical degree to use. Imagine being able to develop quality, spiritually-grounded relationships with people who never set foot inside our building, yet feel connected to the Holy Trinity family.

RANGE OF WEEKLY GIFTS GIVEN IN 2021-22

Guided by God, Holy Trinity’s ministries are returning from the pandemic and are entering into Exciting New Beginnings. With a new pastor and staff we have the opportunity to not only restore our ministries but also improve our worship environment for newcomers and to extend spiritual growth opportunities beyond our walls. Please find your current level of giving on this chart, and we invite you to ask yourself:

- ▶ How does my current giving level compare with other ways I use my money?
- ▶ How adequately does my giving reflect my gratitude to God for all the blessings I have received?
